Executive Summary:

MMS is a voluntary development organization working among marginalized, destitute, disadvantaged and under privileged section of society since 1994 in Ichak Block of Hazaribag district. During the year 2023-2024 the range of activities includes Violence against women and girls, promoting safe mobility and counter trafficking, engaging men and boys to address gender equality, Case work on violence against women, Health awareness, Child marriage prevention program, Migrant laborers and their family, It's my body program. The appreciable support of community, volunteers, staffs, and members of governing board, consultants and community we have been able to achieve a meaningful result.

Violence against women and girls, leadership development of women is the major thrust of our work during the year. The domestic violence against women is addressed and also leadership quality among women, The PWDVA 2005 and its effective implementation in the state also advocating for Jharkhand women policy in the state. Kishori group promoted in the whole working area. Child marriage, witch hunting and trafficking are the major concern of the program.

Child marriage is a major concern of the area and child marriage program started during the year to address the practices of child marriage in Ichak block of Hazaribagh district.

The area is more prone to migration and people migrate to other places for their livelihood. We are working with migrant laborers as well as their families in Hazaribagh district.

Nazaria Badlo campaign for women's right and promoting leadership among girls is the major focus of the work during the year.

Promoting safe mobility and counter trafficking are the major area of work also dealing with right to mobility of women and girls.

It's my body program is to make the girls and young women confident about the SRHR

(Sexual and reproductive health and rights) are the major focus of this year program

At the end I would like to extend my heartfelt thanks to our well wishers and support providers.

Devyani Verma

History of the Organization

Mahila Mukti Sanstha is grass root level women voluntary organization which is concentrating on the issues like the community empowerment, capacity building, skill development, entrepreneurship development, advocacy and awareness development on several selected issues. The key focus and the target groups of the organization is women and girls belonging to the deprived classes mainly SC, ST, OBC and victims of General Classes women. During these programs we promote awareness among the women and girls to improve their health status, economic and social position etc. our organization being a women organization has fought for the causes of the women like dowry deaths, witch hunting, Sexual harassment in work place, Domestic Violence, women and child trafficking and other women related issues. The success of the proposed activities mainly depends on the adoption of appropriate communication strategies, development of plan of action M.I.S. proper monitoring and the evaluation system in the project areas among the backward communities.

Since long back, in the cases of women exploitation, molestation, girl child infanticide, dowry death cases and women suicide, the block Ichak of Hazaribagh is ranked the highest in all over India based on the Studies of National Women Commission. Hence, the likeminded youths of Hazaribagh, and other district of Jharkhand got united in the year 1993 and organized a platform to go for interventions against the issues of women folk.

In the year 1994, the organization received the legal status with its registration under society registration Act XXI, 1860.

While in interventions it was felt that women, adolescent and child come under the component of overall development that could bring the sustainability for the interventions taken by the organization in the long run. Simultaneously, the organization got permission for the foreign fund receiving and utilization in the year 2001 and also received the income tax exemption under section 12 A.

Organization's Vision: -

Established of an ideal society through enriching the economic, Social, Physical, Mental and Leadership Status among Women, Adolescent and Children.

Mission:

- To encourage, orient and train elected representatives in Jharkhand on PRI/PESA enabling them to promote women's role in all tiers of PRI.

- To motivate the girls as well as parent for sending their children (girls) for school and for higher study.
- To motivate for delay in early marriage.
- To provide the knowledge among the adolescents to both who are in school or drop out.
- To motivate the adolescents to start discussion in group about the reproductive and sexual health that they can take the preventive measure from the UTI/RTI/STI/HIV/AIDS.
- To motivate the girls and parent for delaying the marriage.
- To motivate the women for control on their life regarding the marriage as the partnership, discuss with partners about the needs and rights. Delaying in the first pregnancy and best care during the pregnancy.
- To Sensitize and mobilize village leaders, counterparts of women Elected Representative and community members, Particularly women for proper implementation of PRI/PESA
- To initiate advocacy campaign at different levels-Panchayat, Block, District and state to enhance women participation in Panchayats.
- Social mobilization to foster increased and sustained demand for timely and appropriate preventing and curative services. Delivery of timely and quality preventive and curative services in project area.
- Awareness generation, people's participation in development process, vigilance and co-operation of the village community as a whole to bring social transformation radical change in the existing system.
- Empowerment of women through formation and of self help group, Women Resources Group.
- Promotion and development of community by way of health education, health training and awareness campaign.
- Creation and promotion of employment opportunities through people's participation with social reference to rural poor women and marginal farmers.
- Organizing and conducting trainings, seminars, workshop on development issues.
- To run free legal aid corners for deprived women and girl children.
- Awareness creation regarding the health and hygiene amongst girl children, and mothers through immunization, family planning, education for prevention steps of diseases etc.

- To motivate the adolescents to start discussion in group about the reproductive and sexual health that they can take the preventive measure from the UTI/RTI/STI/HIV/AIDS.

Activities undertaken during the year 2023-2024

1. Peoples Organization (collectives) :

Mahila Mukti Sanstha believes that peoples collective are the corner stone of developmental activities. MMS is working in Hazaribagh District focusing on organizing people both men and women at village level and their capacity building so that they themselves would be able to solve their own problems. The village community they have capacity and the only thing is to organize themselves and to facilitate to get the work done. We believe that once the village community organized and empowered most of the village problems will be solved. As we enter in a village the foremost activity is formation of people's organization and all other developmental activities are undertaken through these people's organizations. At present we have separate organization for men and women. The village level people's organization meets

on regular basis and they discuss village problems and day to day village situation. The participation of village level people's organization ensure in all the steps from planning to implementation to monitoring to supervision of the program.

Women groups: -

Self Help Group	-	150
Kishori group	-	40

Men's Groups: -

Kisan Sabha (Samiti)	-	10
Boys Group	-	10

These groups/people's organizations are the point of intervention in the villages also we are doing capacity building drive for the groups so that they would be able to mobilize Govt, schemes .These groups are capable to solve the village level problems.

2. Violence against women and girls and leadership development among women.: -

MMS is working in 10 villages of Ichak block under these collectives of women, girls, men and boys and their regular meeting and capacity building done throughout the year.

The grass root women's collective are the core and through their capacity building and empowerment the women from the group they take the cases of violence at village level also counselling of cases of violence and go for redressal. During the year the major focus would be Jharkhand women policy and effective implementation of PWDVA 2005.. The target group under this project are socially excluded groups schedule caste, schedule tribe, backward and minority class people in majority as the composition of the area is mostly backward.

Women groups at village level they have understanding on gender and violence issues and they are dealing with the issues emerging of domestic violence at villages also they are capable of doing counseling of cases and disputes at village level. Women groups are coming forward to take domestic violence issues and especially child marriage issues at village level. They have made continuous efforts to build up healthy rapport with Govt. Department to avail the entitlements under government facilities. The groups have been effective at block level and have received support in helping women in accessing govt. facilities. A woman's collective raising their voice

in their community area and at block offices. They are doing awareness generation program to provide knowledge on the related issues with women. They are monitoring the gaps the implementation of schemes and services at village level. The tribal, backward and minority class women they are becoming aware on the issues and demanding their rights with the respective departments.

The women they are now aware about the provisions and laws related to women and they are accessing their rights and entitlements. Women and girls are organized and acting against violence against women and girls. The women are coming into leadership role and decision-making role and girls are taking proper action for their education, marriage etc. The girls they are raising voice for their education and marriage they oppose child and early marriage and also convincing others not to go for child marriage. The women and girls' group are more effective and taking domestic violence and child marriage issues on priority. Also, the girls and women they are taking part on other social activities, gram sabha meetings, SMC meetings etc.

Once the men and boys organized on gender related issues as they have the role in decision making within the family and society they are now cooperating the women's and girls' for gender equality and child marriage issues, We have also boy's group and men's group to support the initiative taken by the women and girls also the women issues are not only the women issue but it a social issue and everybody has concern on this. The male members are raising voice against violence especially domestic violence and child marriage. They are also changing their attitude and behavior to bring equality in the society.

The gender social norms and violence against women and girls has been taken and community mobilization, awareness generation and capacity building are the regular process through the women collectives, girl's and boys' groups and Men's group in Hazaribagh district. The community groups have developed understanding on the issues like violence against women and girls, domestic violence and child marriage there are link with social norms prevalent in our society. So, to break the harmful social norms and set a positive norm in the society it is the regular efforts of the groups started to change the harmful norms in the society.

Education institutions at two blocks/district level identified to change the norms within the institutions and its link with VAWG The youth leaders boys and girls identified from 10 working villages who are sensitive in taking gender issues and to change the harmful social norms. These youths are taking leadership role in the villages and also raising voice against child marriage and violence on women and girls. The community influencers and district level influencers identified and two sessions each at block level and

district level organized with them and the DLSA, CDPO, PRI members, Sahiya Sahayika, ANM, Para teachers are joining hands to work together to set the new positive norms on child marriage and violence against women.

3. Prevention of Child Marriage and early union Program in Hazaribagh district:-

Mahila Mukti Sanstha is working in 20 villages of Ichak block of Hazaribagh district with “Pragati Kishori Samuh” and Community people especially parents, Stakeholders, PRI, Govt. officials, frontline workers and traditional leaders under this project .The progress during last year was very good as the target groups are taking interest in the program the Pragati Kishori group are formed and regular fortnightly meeting of Pragati kishori group conducted in which session plan adopted to discuss about child marriage and early union issues also SRHR issues. Quarterly meeting with parents and discussion on to give opportunity to their daughters to complete their education and health care. Briefing in parents meeting about the session plan of Pragati Kishori group meeting like SRHR issues, if any issues and problems arises in the group or village level the parents group they take appropriate action against it.

The Child marriage and early union program in the area is progressing in positive direction as people respond the need of the girl’s age of marriage their education and health issue in priority. The girls they have started raising questions in the family and groups about their marriage and they want to be more careful about their carrier. In most of the cases the guardians also become sensitive about the age of marriage and the carrier of their children’s girls in the villages.

The stakeholders especially teachers in the villages and Mukhiya they also started to speak on the issue in gram Panchayats and schools also at community level.

Sports and games for girls in schools and community level promoted in all 20 villages. Football match of girls is regularly organized for practice in the area. Girls are coming forward to take it and leadership role in the community works and sports. The Pragati Kishori group is regular and they are coming forward to take action and more than the target girls are enrolled in the groups we have 600 girls enrolled in groups. Girls have raising their voice within the family and in groups as well. Their participation in all activities and sports has increased and they are taking interest on it. The Parents and guardians also accept that Child marriage and early union in practice in their village and they want to promote their girls for their better carrier. Girls are taking sports and games activities role play and also in leadership role Outside the home in community also Girls are taking action

against the evil. Meeting with Govt. Officials at block and district level it was fruitful and the Govt. officials given word to support the program in the district. DCPO of Hazaribagh District Sanjay Prasad has supported our program and advised to support Govt. structure VLCPC in all your work and strengthen the groups. The teachers and AWW of the area they are giving space in their school/AWC and also promoting this concept to prevent child marriage and early union in the schools and community.

Now the girls have started taking action against child marriage and also the guardians became sensitive on the issue and they are promoting their daughters for higher education. The stake holders and village leaders are also supporting the program and now there is check on child marriage cases in the area.

4. Meri Panchayat Meri Shakti. (Strengthening feminist leadership in community level): -

There are 57% elected women PRI members in Jharkhand and under this program MMS work for increasing of knowledge to elected PRI members, service providers, EWRs, and other rural women. MMS organized training programs related to rights, roles and responsibility of Panchayat and women PRI members, Barriers to the work of Women Panchayat Representatives, role of local government and village level government schemes. Total 24 training programs organized in Panchayat level and 10 block level of 580 Women PRI Members and AWW, ANM, Sahiya & Self-help group leaders in this year 2023-24. The objective of this program is to bring leadership role and decision making power on women's hand and it is very successful in the area. Now the elected women PRI members are taking their own decision regarding the women issues and village development plan.

5. Promoting safe mobility and counter trafficking: -

MMS is working on women's right issue and also promoting safe migration in Hazaribagh district. The community people migrate to other places for their livelihood and the ignorant and backward class of people are practicing unsafe migration.

Jharkhand there is lot of migration at village level where people migrate for their livelihood to other places and unsafe migration is noticed in many places. Jharkhand anti trafficking Network is working in 13 districts of the state and we are directly working in Hazaribagh district. Seasonal migration and interstate migration both can be seen in almost all villages we are with the view that they go to other places with complete information and preparation before migrating to other places.

We are working through migrant forum in 10 villages information center at central place and learning materials to make people aware on the issue of safe migration.

6. District level conference to prevent child marriage: -

Child marriage issue is the major concern of our organization and with the support of Girls not brides District level conference organized for the prevention of child marriage of adolescent's girl and young women, MMS organized workshop Involving district level

stakeholders with elected members in Ichak Block with elected women representatives and other CBOs, community level leaders in community people especially girls and young women with the support of Girls Not Bride. More than 200 people participated in this program and took an oath to avoid child marriage. The community people girls and young women they took active part in the program also they understand that there is career and health before marriage and marriage only after completing the study and gaining full maturity. Very good response sounds though out the community level among girls and guardians. The young girls they have started raising their voice in the family regarding marriage and they are more concern about their future. The prevention of child marriage campaign spread in the whole district and it contributed to restrict the child marriage cases in the district.

7. 16-days activism program:

16- days of activism is one of the continuous activity of the organization as we work on gender and women's right issue.

Every year we organize 16-days of activism program in Hazaribagh district to end violence against women and girls this year also with the support of CREA we are working in Hazaribagh district of the state and a regular process of capacity building is done by CREA. During the year on 16-days of activism we have organized lot of programs like football tournament for girls we have organized football tournament for girls in the area. District level seminar, village meetings and program in school colleges were organized in the district during 16-day of activism. lot of appreciation came from the community and society. The focus of all the programs is to prevent violence against women and girls and ensuring women's right. Women are becoming aware and started raising voice against exploitation and injustice. Making the community people women and girls aware about their rights and violence against them.

8. Sensitization Program:

We are working in Hazaribag district from last three decades and sensitization of women and girls also men and boy on different issues are the regular process of our organization. Apart from the above also we work for Govt. developmental schemes, health and education, environment etc.

We have awareness drive on health and environment through out the area to make people aware on health issues like SRHR, TB, Malaria, Diarrhea, STD/HIV/AIDS etc. Also, the environmental aspects like prevention and green cover and plantation of new plants in the area. The awareness campaign through wall writing, village meetings, Distribution of learning materials like pamphlet and posters etc. Also sharing in panchayat meetings and school colleges through competitions like essay competition, quiz competition, sports and games etc, Bazar, Mela Hat and local market also use to give information to people for their awareness.

We visit to the people at village level and make them aware about their requirements, rights and entitlements.

9. Working with Migrant workers and their family:-

Hazaribagh district of Jharkhand state is a big source of migrant laborers. Hazaribagh is an agricultural district of Jharkhand state, where apart from agricultural land, coal mines are found in some blocks. This year there was scanty and untimely rainfall during the monsoon, due to which the main crops of almost all the villages in the target area were destroyed. Mahila Mukti Sanstha with the support of MRC program is working among the population of about 154000 in three blocks of Hazaribagh district which have a high number of migrants from Dalits, Muslims, Extremely Backward Castes and Tribal areas. The rural communities is dependent on crop production and due to non-arrival of monsoon on time and less rainfall, the labor class and small farmers are facing livelihood problems. Therefore they had to face many problems regarding livelihood. The community became more unsafe and more people were forced to flee. Mahila Mukti Sanstha is working with migrant workers and their families under the MRC project in 30 panchayats and more than 154 villages of three blocks Ichak, Daru and Barkatha in Hazaribagh district. The MRC team majorly worked on ensuring safe migration, social development including social security scheme, rights and security issues and motivating the migrant community to come forward for their rights and avail the benefits of various schemes of the government. MMS has been working for the economic as well as social and moral support of migrant laborers and their families under government schemes and their families in the last financial year. Under the MRC project of MMS, the team also worked to provide information to migrant families about their eligibility for various government schemes and supported migrant workers and their families to avail direct benefits of government schemes. MMS MRC staff worked hard to promote safe migration through Jan Sathi, Field Officers, Jan Sathi Facilitators and District Coordinators with the government, local people, Panchayat representatives, Anganwadi workers, Asha workers, regional leaders and other stakeholders. Along with Jansathi, more than 100 active community volunteers trained in the last reporting period have provided support to migrant workers and their families in accessing social protection schemes and with various PRIs and government institutions in case detection from the area to ensure safe migration. During the period of this project, 33829 family members from 12821 families were registered in Jan Sathi App. MMS has submitted a total of 32865 application forms of migrant workers and their families to the government department. In which 25876 got benefit. During this period, problems of 1510 laborers came to Mahila Mukti Sanstha, out of which 1048 came from helpline number and 462 from field. 1024 (Entitlement Case-267, Information-699, Legal Case-00000) problems were resolved by MRC Team Hazaribagh. Also, after four migrant laborers died at the workplace, their families were provided assistance of Rs 25,000-50,000 with the support of the Labor Department.

जेंडर आधारित समस्याओं को लेकर एक दिवसीय विचार-विमर्श कार्यशाला का किया गया आयोजन

स्वदेश संवाददाता

इचाक। जेंडर आधारित हिंसा के खिलाफ 16 दिवसीय अभियान असमानता से समानता सबकी गिनती एक समान के उद्देश्य के साथ एक दिवसीय विचार-विमर्श कार्यशाला का आयोजन इचाक मोड़ होटल ओम्कार में महिला मुक्ति संस्था के द्वारा आयोजित की गई। कार्यशाला में उपस्थित प्रतिभागियों का स्वागत करते हुए देवयानी चर्मा ने कहा कि आज महिलाओं, लड़कियों, ट्रांसजेंडर, विकलांग के साथ घर के अन्दर, घर के बाहर व्यवहार कई प्रकार से भेद-भाव किया

जाता है, यौन हिंसा की शुरुआत घर से होती है, जिसका विरोध हम सभी नहीं कर पाते हैं। चुप्पी साधने की सिख भी हमें घर से मिलती है, किसी भी हिंसा का विरोध हमें घर से कम उम्र में सिखलाने की जरूरत है, जिससे लड़कियों को विरोध करने की क्षमता बढ़ेगी। जिला परिषद सदस्य रेनु देवी ने भेद-भाव को दूर करने में महिला मुक्ति संस्था

महत्वपूर्ण भूमिका निभा रही है जिससे आज किशोरियां और महिलाएँ खेल-कूद, पढ़ाई और आर्थिक उपार्जन करने के क्षेत्र में आगे निकल रही हैं। संस्था की सुपमा कुमारी ने कहा कि समाज लड़कियों महिलाओं को घर की इज्जत से जोड़ता है, पर प्रत्येक गाली से लड़कियां महिला बेइज्जत होती हैं। मुखिया रंजित मेहता ने संबोधित करते हुए कहा

कि अभी आबादी के लिए काम करने की बात सभी करते हैं पर आवाज उठाने के समय चुप्पी साध लेते हैं, महिला के मुँह पर महिलाओं से अधिक आज पुरुष को आगे आने की जरूरत है उनकी समस्या को महिला की समस्या नहीं बल्कि समाज की समस्या समझ कर महिलाओं को आगे लाना चाहिए। लीला कुमारी, मोना कुमारी ने चर्चा किया साथ ही क्रिया नई दिल्ली से आई वल्लरी शर्मा ने इसपर सवाल किया और गर्भावस्था की चिकित्सीय समापन कानून द्वारा मिलने वाली सुविधा पर चर्चा किया। हजारीबाग की परामर्श

दाता कुसुम कुमारी एवं सदस्य कविता सिन्हा ने बाल कल्याण समिति के द्वारा दी जा रही सुविधा पर चर्चा की। कार्यशाला में उपमुखिया आंगनबाड़ी सेविका, सहिया वाई सदस्य सहित 50 से अधिक महिला-पुरुष एवं युवतियां शामिल रही। कार्यशाला को सफल बनाने में संस्था की मोना कुमारी, अनीता देवी, बबिता देवी, शांता सांगा, पार्वती देवी, रिंकी देवी, प्रियंका कुमारी, पूनम देवी रोहित कुमार, प्रेमा कुजूर, ज्योति सिन्हा ने मुख्य भूमिका निभाई संचालन डौली खातून ने किया एवं धन्यवाद ज्ञापन ज्योत्सना चर्मा ने किया।

महिला मुक्ति संस्था ने खेलकूद प्रतियोगिता का आयोजन

इचाक (आजाद सिपाही)। अंतरराष्ट्रीय महिला दिवस के अवसर पर अपमान नहीं

सम्मान चाहिए, थीम के साथ महिला मुक्ति संस्था के द्वारा इचाक में खेलकूद, भाषण, एवं वाद विवाद प्रतियोगिता का आयोजन किया गया। प्रतियोगिता में शामिल किशोरियों और महिलाओं को पुरस्कार देकर सम्मानित किया गया। इस अवसर पर प्रखंड विकास पदाधिकारी संतोष कुमार ने कहा कि महिलाएँ पूर्व से ही सशक्त हैं, लेकिन पित्रिसतात्मक सोच महिला विकास में बाधा है, आज दुनिया में विकसित करना है तो आधी आबादी को सम्मान देना होगा, तभी देश विकसित होगा। सरकार के माध्यम से किशोरियों और महिलाओं के लिए कई योजनाएँ चलाई जा रही हैं जिसका लाभ किशोरियां प्राप्त कर सकती हैं। अंचल अधिकारी इचाक ने संबोधित करते हुए कहा कि बिना भेद-भाव के बेटा-बेटी को शिक्षा दें, महिलाएँ कहीं भी पीछे नहीं हैं, उन्हें अवसर मिलना चाहिए, जो अवसर उन्हें अभी तक अप्राप्त हैं। खेल-कूद प्रतियोगिता में भागीदारी निबाहने वाली महिलाओं ने कहा कि हम महिलाओं को घर से बाहर निकलने का अवसर बहुत कम मिलता, इस प्रकार की प्रतियोगिता में भागीदारी निभाकर अच्छा लगता है। किशोरियों के द्वारा फुटबॉल मैच, महिला दौड़, बाधा रेस आदि खेल का आयोजन किया गया। इस अवसर पर महिला मुक्ति संस्था की कार्यकर्ता सहित 500 से अधिक किशोरी और महिला ने अपमान नहीं सम्मान चाहिए का नारा दिया।
